System

**ProCore®**  
Powerful and compact, energy-efficient modular system.

**DryChill®**  
Rapid and hygienic, efficient chilling technology.

Technology

**EcoMode**  
Energy-saving technology.

**Bluetooth®**  
Touch-free dispense.

**DeepSparkle®**  
Sparkling water with long-lasting fizz.

**Viovandt® (optional)**  
Chemical-free, eco-friendly integrated UVLED purification.

Hygiene

**Totality®**  
Filtration and hygiene assurance with Biomaster®.

Optional accessories

**SensorBeam™ Base Cabinet**  
Floorstanding base with projection touchless dispense.

## Evolved, intelligent technology.

Designed for a more sustainable future, the E6 features the latest in smart technology. Offering powerful four-way dispense for filtered chilled, ambient, hot, and sparkling water, the E6 integrates SIMSecure digital connectivity for data insight and smart service capabilities. With intelligent energy-saving EcoMode and optional SensorBeam projection touchless control, the E6 is as smart as it is sustainable.

## Environmentally advanced design.

The E6 is powered by our exclusive, compact ProCore® system with discrete ventilation, advanced modularity and a lower carbon footprint. From the intelligent EcoBoil energy-efficient hot water system and DryChill® airless, rapid cooling technology to eco-refrigerant gas and recyclable components, the E6 delivers the ultimate in sustainability, hygiene and performance.

## Confidently clean water.

Totality® is our 5-step methodology to achieving pure, healthier, premium water. Providing hygiene assurance in every pour, Totality® reduces sediment, odours, chlorine and microplastics, for freshly-filtered water that is safe to drink and tastes clean, crisp and fresh.

For complete peace of mind, select Viovandt® enhanced UV-C purification. The ultra-violet LED technology provides eco-friendly, chemical-free sterilisation to reduce bacteria and viruses.

## Bottleless water for every environment.

Designed for working environments, the premium finishes and contemporary aesthetics are easy-to-clean and have a durable Fynil® finish which utilises antimicrobial silver ion protection, for complete hygiene confidence in communal areas. Easy to install as a countertop or floorstanding unit, the E6 eliminates the need for single-use plastic bottles and coffee cups, allowing you to refill and enjoy locally sourced, premium water.

Gain insight and data intelligence for smart servicing and convenient connectivity.

Excellence in every pour.
